215.508.7716

Vince is a Vice President with SES ESOP Strategies. Vince advises businesses and their shareholders on Employee Stock Ownership Plan (ESOP) transactions. Vince is responsible for preliminary valuations, financial modeling for the Company and its shareholders, obtaining financing for transactions, negotiations with the buyer and managing the implementation process.

Prior to joining SES, he was a Senior Credit Analyst at Chubb Limited. He focused his analysis on publicly traded companies and privately held companies across several industries. Before his time with Chubb, Vince was a Financial Analyst at The Boeing Company where he worked on the V-22 Program's Long Range Business Plan and Forecast.

Vince has Series 79 and Series 63 licenses from FINRA.
