Practice

Health Care

Christina focuses her practice on advising a wide variety of healthcare clients, including hospital systems, physician practices, long-term care facilities and other health care organizations, on federal and state fraud and abuse laws, Medicare and Medicaid compliance, corporate practice of medicine requirements and other federal and state regulatory requirements. She also represents health care clients in corporate transactions, including mergers and acquisitions, joint ventures and affiliations and advises on contractual matters such as employment, professional services, lease, medical director and administrative service agreements.

Christina is a contributor to the Health Law Observer blog.
