### Practice

Corporate, Finance and Capital Markets

Sunjeet focuses his practice on mergers and acquisitions, joint ventures, securities offerings and similar transactions for clients in various industries. In recent years, he has focused on matters involving financial services/technology, energy, manufacturing and retail-facing companies. He also assists clients execute their business plan by advising on both routine corporate matters and complex strategic, corporate governance, regulatory and transactional issues, including data protection, risk management, ESG factors, fiduciary duties, corporate control and takeover defense advice and proxy contests. Sunjeet represents business enterprises, investment banking firms, financial sponsors, executives, shareholders, boards of directors and special board committees in their capacities as purchasers, sellers, borrowers, lenders and financial advisors.

In addition to executing clients' strategic M&A strategies, Sunjeet assists clients with mutual-to-stock conversions, equity and debt capital market transactions, such as initial public offerings, SEC-registered secondary offerings, private placements, registered and exempt debt issuances and alternative risk transfer transactions.

On behalf of clients, Sunjeet also has worked on a wide variety of matters with federal and state regulatory agencies, including the Securities and Exchange Commission, the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation, the Office of the Comptroller of the Currency, the Consumer Financial Protection Bureau, the Federal Trade Commission, state banking and insurance departments and other governmental agencies and self-regulatory organizations, such as the NYSE, NASDAQ, FINRA and the National Association of Insurance Commissioners.

Sunjeet advises numerous corporate clients on ongoing public company matters, including Exchange Act reporting, voting recommendations and governance evaluations by proxy advisory firms, executive compensation matters, risk management and regulatory compliance. He regularly advises clients regarding

new corporate governance regulations, practice developments, and corporate governance compliance and best practices and managing shareholder relations and shareholder proposals.
