Practice

Corporate, Finance and Capital Markets

For over 35 years, Dave has focused his practice on the representation of public and private company clients in corporate matters, capital formation, securities law compliance, mergers and acquisitions, regulatory issues, change-in-control and shareholder activism issues and corporate governance matters.

He has represented private and publicly traded financial institutions in more than 50 acquisitions involving banks, insurance and securities brokerage operations and registered investment advisors. He has served as counsel to the issuers in public and private capital markets transactions totaling more than \$5 billion.
